

Continuing Life Enrichment in our Care Homes

We are committed to ensuring the well-being of those we support.

During this unprecedented time, we have a number of measures in place to ensure residents remain engaged, connected and socially active, including:

- Skype video/FaceTime calls
- Afternoon tea outside and on balconies
- Hallway sing-alongs
- Virtual theme park rides
- Virtual museum tours
- Virtual exercise and entertainment
- Arts & crafts
- Pen-pal initiative with the local community
- Garden activities and games
- Flower arranging and indoor planting
- Baking
- Book and board game clubs

We will continue to keep the lines of communication open with residents and their families and listen to their feedback on other activities we can introduce.
