

Enjoy some company and a nutritious lunch

We know meal times can be a lonely time for some older people. That's why we are inviting local older people* to enjoy our great hospitality with a nutritious lunch, freshly prepared by our talented chefs. After lunch, all are welcome to stay and sample our varied activities programme, organised by our dedicated activities coordinator.

If you know an older person who would appreciate some company and enjoy a delicious lunch, please give us a call on:

01803 292 077
