Health Care

Welcome to Yardside

Our new complex needs care home, Yardside, will open in Winter 2021 and will provide specialist nursing care for 20 adults living with a range of complex and high acuity care needs.

About the home

The home, located on Chester Road, Whitby, will have 20 large bedrooms - each with an en suite wet room - spread over two floors and surrounded by large landscaped gardens. Each floor will have a communal dining room, lounge and quiet area. The ground floor will also have a communal hub as well as sensory and therapy rooms which provide a dedicated space for rehabilitation.

Life at Yardside

The home will provide person-centred care and rehabilitation that focuses on maximising independence, building everyday living skills and empowering people to live as fulfilled lives as possible. It'll support people on their journey from being in hospital or living in a secure setting to community-based living, as well as offering longer term support for people living with degenerative or life-limiting illnesses.
