

Environmental Statement

MoneyGram Haas F1 Team has achieved FIA Three-Star Environmental Accreditation, the highest level of recognition for its work in environmental sustainability.

This reflects the hard work done by all team members to meet and maintain best practice of sustainable operations and review and build-upon processes and policies.

As a member of MoneyGram Haas F1 Team, we pledge to minimizing the impact of our activities on the environment and commit to:

- Being proactive sustainability ambassadors for MoneyGram Haas F1 Team, sharing our knowledge and being a point of references for others
- Control energy consumption and continually improve energy performance
- Set and regularly review environmental objectives and targets
- Document, implement, and maintain the environmental management system
- Maintain the continual improvement of our environmental performance and the prevention of pollution through the implementation and regular review of our environmental management system
- Communicate the environmental management system to all people working for or on behalf of the organization
- Take all essential measures to prevent pollution when handling fuels and other hazardous materials associated with its operations
- Meet or exceed the requirements of all applicable legal requisites and other demands to which we subscribe which relate to environmental aspects

We each sign this pledge to reinforce our intent and demonstrate that sustainability is at the forefront of our business.
