## FURTHER INFORMATION FACT SHEET

	<p>1. Your needs are not consistent with the information provided on assessment and we are unable to meet your needs or unable to meet your needs at the agreed fee.</p> <p>2. There has been a change in your assessed needs which we cannot meet.</p> <p>3. Your conduct or the conduct of your visitors is not conducive to the environment of the Home.</p> <p>4. Your conduct or the conduct of your visitors places other residents or staff at risk.</p>
<p><b>Change to Funding Arrangements</b></p> <p><b>Third-Party-Top-Ups</b></p> <p><b>NHS Funding</b></p>	<p>If your funding arrangements change whilst you are in the Home, this may have an impact on your placement.</p> <p>If you are self-funding and become eligible for local authority funding during your stay, the amount that the local authority agrees to pay may not be sufficient to meet our fees. If this is the case, we may require a third person (a family member) to pay a top up fee. This is called a 'Third-Party-Top-Up'. If there is no-one willing to pay a top up, then we may decide to terminate your placement. The Third-Party-Top-Up will be arranged through the local authority. The local authority is required to consider whether there is any reason you should remain in the Home and whether they have a duty to pay our full fee before requesting a Third-Party-Top-Up.</p> <p>We accept residents who are in receipt of Continuing Health Care Funding. (This is when you are assessed as having a primary health need and the NHS pays for your accommodation and care.) The NHS will usually pay a standard fee which it assesses is sufficient to meet your 'assessed care needs'. Our fees may be higher than the NHS will agree to pay. The NHS may determine that your needs can be met in a more basic care setting. If you become eligible for Continuing Health Care Funding (CHC) during your stay, and the NHS refuses to meet our full fee, you may be required to meet the difference between our fee and the amount the NHS will pay. If you or the NHS are unwilling to pay the additional fee we may decide to terminate your placement.</p> <p>The NHS is required to consider whether there is any reason you should remain in the Home and whether they have a duty to pay our full fee.</p> <p>In circumstances where your funding arrangements change, we will have to terminate our Agreement with you and enter into a new agreement with the local authority, the NHS and/or yourself if you are required to make a contribution towards our fees.</p> <p>You will remain liable under your agreement with us until it is terminated.</p>
