Welcome to Markeaton Park

Markeaton Park is 210 acres in size and incorporates the Mundy Play Centre, Craft Village, gardens, lake, duck ponds and a brook. The park also offers a range of other activities suitable for all ages. The Mundy Play Centre has a large play area incorporating accessible mini golf, bouncy castles, canoes, and electric cars. A sports zone just off the main car park provides pitch and putt, footgolf and disk golf along with tennis courts and a multi-use games area. The lake provides fishing and boating opportunities.

Routes

Routes are generally on hard surfaces, but some may be on gravel/bark surface. There are some woodland paths which may become muddy at times, and you may need to consider the weather conditions when choosing your route. Some surfaces may include tree roots, and all routes may have overhanging branches. Routes are directed throughout by corresponding coloured discs. Follow the symbols below so you know what to expect on each route.

Please take care on the route and make sure you are wearing suitable clothing.
