Mayfair Lodge

Mayfair Lodge is more than a care home, it's a place to enjoy life in a warm, friendly and caring environment. A place where you have the freedom to be who you want to be, either independently or with our support. We understand that you are not trying to change your life, just your home, that's why all the things that are important to you matter to us too. As part of a not for profit organisation you can rest assured that your care at Mayfair Lodge is our number one priority.

Your Home

Situated in Potters Bar, Mayfair Lodge has a warm and homely atmosphere, where you will have the freedom to enjoy the privacy of your own en-suite bedroom, or to share your time with others in our wide range of communal areas including lounges, dining rooms, cosy corners and more. If you like to enjoy the outdoors, the home has a beautiful landscaped garden with its own vegetable patch for the green-fingered among you!

“ Such kindness to my uncle and the family will never be forgotten and it is always a great comfort to us knowing he is in such good hands. Thank you. ”
