More than a Care Home

Tye Green Lodge is more than a care home. It's a place to enjoy life in a warm, friendly and caring environment. A place where you have the freedom to be who you want to be, either independently or with our support.

Your Home

Moving into a care home doesn't mean having to change your life. It just means that if you need help, you have it close to hand. We are here to encourage and enable you to continue to do all of the things that you've always enjoyed doing, providing support whenever it's needed. We understand that maintaining relationships is vital so your family and friends are welcome to visit you, or if this is not possible, we can help you to keep in touch via video conferencing over our wi-fi network which is available throughout the home.

For visits in person, there are plenty of places within the home to sit and chat over a cup of tea or coffee and some treats.

At Tye Green Lodge, all of the things that are important to you matter to us too. Together, we can make sure that you continue to live life the way you want to live it.

Your Choice

At Tye Green Lodge, you have the freedom to enjoy spending time in any way you wish. You'll have your own fully furnished room with en-suite toilet, a flat screen television as well as your own telephone connection point.

If you're looking to spend time with others the home features a wide range of social areas including comfortable lounges, a number of dining rooms, cosy corners and more. You'll always find the perfect place to be or spot to sit in.

”

When you want to enjoy the outdoors, Tye Green Lodge benefits from a lovely landscaped garden which includes patio areas and walkways, raised flowerbeds and occasional seating areas that are perfect during the warmer months.

Your Leisure

People are happier and more contented when they stay physically, socially and mentally active. That's why, at Tye Green Lodge we have a dedicated team of Activities Co-ordinators. They'll work with you to plan a wide range of activities for you to enjoy. They can help you pursue your favourite hobbies and interests, and maybe introduce you to some new ones.

Some activities are enjoyed in groups, whilst others are offered on a one-to-one basis. You can get involved in everything from gentle exercise and arts and crafts through to evening entertainment, themed parties and outings.

Feeling good is also about looking good. That's why we have our own hairdressing salon, laundry and ironing service.

Your Dining Experience

Food isn't only one of the greatest pleasures in life, it's also vital to physical and mental well-being. That's why we place such an emphasis on the experience of eating.

All of our meals are prepared on site using fresh ingredients from sustainable sources that are as local as possible. Meals can be enjoyed in your dining area for a more sociable experience or, if you'd prefer, in the privacy of your own room.

”

Our menus are varied and offer a number of different options and our chefs can tailor the menu to meet a wide range of dietary requirements.

Your Care

The staff at Tye Green Lodge will work with you and your family to help maintain your health and well-being.

We choose dedicated staff for whom caring is not just a job but a vocation. Each and every member of staff receives first class training which continues throughout their professional career with Quantum Care.

Tye Green Lodge, coupled with the expert care provided by Quantum Care, is a beacon of quality which puts the wellbeing of residents at the very pinnacle of what we do. Our not-for-profit status means that you are our number one priority.

Our Services

At Tye Green Lodge our expertise in care is wide-ranging and able to meet people's changing needs. We offer the following types of service.

- **Residential Care** – a home providing long term care, community and support for older people who need help with day-to-day living.
- **Dementia Care** – specialist care and support for those living with dementia.
- **Respite Care** – a short stay to help you get back on your feet after, say, a stay in hospital.

Quantum Care is a not-for-profit company, providing a range of care services for older people, including residential, dementia, respite and day care services.
